Commissioner for Patents
Arlington, VA 22313-1450

In response to the Office Action mailed June 10, 2004, Francisco O'Meany, Applicant in the above-identified patent application, declares as follows:

1. That I am the inventor of the inventions set forth in the above-referenced patent application.
2. That the claimed inventions were conceived by me during the Spring of the year 2000.
3. In June and July of 2000, I prepared written descriptions of my inventions, copies of which are attached hereto collectively as Exhibit A.
4. The documents of Exhibit A were filed with the United States Patent and Trademark Office on August 10, 2000 as part of my provisional

patent application 60/224,752.

5. My formal patent application, filed on August 10, 2001, claims the benefit of the filing date of my aforementioned provisional patent application.

6. That my inventions were conceived and completed before July 13, 2000, and from the time the inventions were made until the provisional patent application was filed, I acted diligently in cooperating with counsel to prepare and file the provisional patent application which described my inventions.

7. I declare under penalty of perjury that all statements made of the my own knowledge are true and that all statements made on information and belief are believed to be true and that the above statements were made with the knowledge that willful false statements and the like are punishable by fine and/or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, that any such willful false statement may jeopardize the validity of this application or any patent resulting therefrom.

Respectfully submitted,

Dated: January 4, 2006
